Dinner with a DC Expert on Trade and Transportation

Peter Friedmann, FBB Federal Relations and Legal Counsel for the Pacific Coast Council, a regional association of customs brokers throughout the west.

Known as "Our Man in DC," Peter Friedmann is a DC insider who will address the most pressing issues our trade community is facing, including China tariffs, changing US-Mexico trade tensions and regulation, maquiladora access to US market, new north-south rail connections, cross-border trucking, personnel shortages at CBP. What's on your mind? Peter loves your questions.
