United States–Mexico–Canada Agreement (USMCA)

Certification of origin

Instructions:

Please note, certification must be in importer's possession at the time a USMCA claim is made.

It is the importer of records' responsibility to determine if the exporter or producer claims are reliable and to perform verifications to ensure certifications and evidence are available. For additional recommendations and guidelines, you may see Article 5.9: Origin Verification.

Blanket period or Entry by Entry

Choose the type of certification you want to submit. For blanket certification include the period if the certification covers multiple shipments of identical goods for a specified period of up to 12 months, as set out in Article 5.2 - Claims for Preferential Tariff Treatment.

If the certification of origin covers a single shipment of a good (entry by entry), indicate, if known, the invoice number related to the exportation.

1. For Exporter Information

Provide the exporter's name, address (including country), e-mail address, and telephone number if different from the certifier. This information is not required if the producer is completing the certification of origin and does not know the identity of the exporter. The address of the exporter shall be the place of export of the good in a Party's territory.

2. For Producer Information

Provide the producer's name, address (including country), e-mail address, and telephone number, if different from the certifier or exporter or, if there are multiple producers, state "Various" or provide a list of producers. A person that wishes for this information to remain confidential may state "Available upon request by the importing authorities". The address of a producer shall be the place of production of the good in a Party's territory.

3. For Importer

Provide, if known, the importer's name, address, e-mail address, and telephone number. The address of the importer shall be in a Party's territory.

4. and 5. Description and HS Tariff Classification of the Good

Provide a description of the good and the HTS tariff classification of the good to the 6-digit level. The description should be sufficient to relate it to the good covered by the certification; and

6. Origin Criteria

Specify the origin criteria under which the good qualifies, as set out in Article 4.2 (Originating Goods).

A Wholly obtained or produced entirely in the territory of one or more of the Parties, as defined in Article 4.3 (Wholly Obtained or Produced Goods)

B Produced entirely in the territory of one or more of the Parties using non-originating materials provided the good satisfies all applicable requirements of Annex 4-B (Product-Specific Rules of Origin)

C Produced entirely in the territory of one or more of the Parties exclusively from originating materials

D "Except for a good provided for in Chapter 61 to 63 of the Harmonized System:

- (i) produced entirely in the territory of one or more of the Parties;
- (ii) one or more of the non-originating materials provided for as parts under the Harmonized System used in the production of the good cannot satisfy the requirements set out in Annex 4-B (Product-Specific Rules of Origin) because both the good and its materials are classified in the same subheading or same heading that is not further subdivided into subheadings or, the good was imported into the territory of a Party in an unassembled or a disassembled form but was classified as an assembled good pursuant to rule 2(a) of the General Rules of Interpretation of the Harmonized System; and (iii) the regional value content of the good, determined in accordance with Article 4.5 (Regional Value Content), is not less than 60 percent if the transaction value method is used, or not less than 50 percent if the net cost method is used"

7. For Country of origin: Identify the country of origin of the good (CA, US, or MX)

8. For Company Certifying: Select the type of company certifying the USMCA claim, Exporter, producer or Importer

9.- Company Information: provide information for the company and person certifying

Disclaimer: USMCA has not published a finalized official version. This template has been carefully prepared based on the Interim USMCA instructions and the 9 minimum element certification requirements. Exporter, Producer and/or Importer are responsible for complying with USMCA latest requirements. The use of a USMCA certification will be effective until USMCA is effective, tentatively 7-01-2020 however dates may change. Prepared by RL Jones 05-20-2020.
